

Admission, Attendance and Children Missing
Education Policy
September 2018-19

1 Admission of Pupils

- 1.1 For each pupil, the Admissions Register must contain:
- Name in full;
 - Sex;
 - Name and address of every person known to the school to be a parent of the pupil (and an indication of which parent the pupil normally lives with and which parents hold parental responsibility as defined by Section 3 Children Act 1989) – Note: parents holding parental responsibility, even if not actually caring for the child, have a right to receive relevant information from the school in respect of any pertinent matter affecting the child, unless a court order indicates otherwise. Where a parent notifies the school that a pupil will live at another address, in addition or instead; the new address, the full name of the parent with whom the pupil will normally live with in future and the date from which it is expected the pupil will normally live there, where it is reasonably practicable for the school to ascertain this information;
 - At least one telephone number at which the parent can be contacted in an emergency;
 - Day, month and year of birth;
 - Day, month and year of admission or re-admission to the school;
 - Name and address of the school last attended, if any; and
 - The name of the destination school (or additional school, in the case of dual registration) notified by a parent and the first date of attendance, where it is reasonably practicable for the school to ascertain this information (a requirement from September 2016).
 - More than one emergency contact “where reasonably possible” (from September 2018)
- 1.2 The name of a pupil must be included in the register from the beginning of the first day on which the school has agreed, or has been notified, that the pupil will attend the school. For most pupils the expected first day of attendance is the first day of the school year.
- 1.3 The school will inform Havering when a pupil's name is going to be deleted from the Admissions Register. This will be done in line with the guidance in Children Missing Education, September 2016 Annex A
- 1.4 Raphael Independent School will notify Havering when we add or remove a pupil's name from/to the Admissions Register at non-standard transitions, i.e. where a compulsory school-aged child leaves a school before completing the school's final year or joins a school after the beginning of the school's first year. The lawful grounds for removing a pupil, including the original ones above, and the information to be reported to the local authority, are set out in detail in Children Missing Education (DFE, 2016). Schools are also under a duty to provide information to the local authority for standard transitions if requested.

2 Attendance

2.1 Introduction

It is important that staff, parents and pupils are familiar with this policy. Regular school attendance from an early age creates a culture about the importance of education and learning so that all can benefit equally. Missing learning time leaves children vulnerable to falling behind and it is well known that poor attendance leads to lower levels of achievement. The foundation for good attendance is a strong partnership between the school, parents and the child, beginning from the Early Years.

2.2 The legal framework

- Legislation specifies the legal responsibility of parent/carer(s) of statutory school age children to ensure they attend school. All children, regardless of their circumstances, are entitled to an efficient full-time education which is suitable for their age, ability, aptitude and any special educational needs; either by regular school attendance or home education.

- The same law requires the school to have an Admissions Register and an Attendance Register, and to place all children on both registers. Failure to do so is an offence. The

Statutory Framework for the Early Years Foundation Stage (2014) requires a daily record of the names of the children being cared for on the premises and their hours of attendance.

2.3 Link between attendance and achievement

There is clear evidence of a link between poor attendance at school and low levels of achievement, as well as a strong link between truancy and antisocial behaviour.

2.4 Parent/carer(s) responsibilities

- Encourage regular and punctual attendance, being fully aware of their legal responsibilities.
- Ensure that the child in their care arrives punctually, prepared for learning.
- Provide clear reasons for any absence which ensures the school can code the absence properly and accurately.
- Contact the school on the first day of the child's absence as early as possible and preferably before the start of the school day.
- Avoid making arrangements to remove children from school during term time.
- Respond helpfully and positively to any enquiry made by the school to ascertain the reason for any absence, including any safeguarding matter.

2.5 School responsibilities

- Promote good attendance and reduce absence, including persistent absence (deemed as attendance below 90%).
- Work to ensure every pupil has good attendance so he/she can access the education he/she is entitled to.
- Act early to address patterns of absence.
- Encourage parents to ensure their child attends all learning opportunities regularly and punctually.
- Keep accurate and efficient records of attendance and registration at school, including attendance at all after school and before school activities.

We achieve this in the following ways:

- Teachers must take a register at least once in the morning and once in the afternoon;
- Mark all children not present by the designated time, taking account of absence notes;
- Follow up un-notified first day absence using the guidance set on in the first day calling policy.
- Monitor attendance and lateness and implement strategies for promoting improved awareness of attendance such as year groups or vulnerable children, as required, including the use of formal letters home;
- Report on patterns of attendance at Directors Meetings to safeguard and promote the welfare of pupils;
- Specifically monitor any persistent absence (individual attendance below 90%);
- Proper use of the DfE national codes to record and monitor attendance and absence in a consistent way which complies with the regulations, including preservation of the entries on both the Admissions and Attendance Registers for a period of three years after it was made;
- Only the Headteacher or a member of staff acting on her behalf can authorise absence;
- Close discussion with the Designated Safeguarding Lead (DSL) to identify children causing concern
- Close liaison with the Designated Safeguarding Lead (DSL) where there are concerns of children being missing from education – see Section 3 of this document;
- Implementing any agreed improvement strategies, such as referral to the local authority attendance services and/or children's social care in accordance with the Safeguarding and Child Protection Policy and Procedures; and
- Provide parent/carer(s) with the timings of the school day and the calendar via the school website and any other usual method such as the school newsletter, in advance.

2.6 Good attendance

Our school considers good attendance to be that above 96%.

2.7 Late arrival

It is essential that, if a pupil arrives late, they should sign in at the school office so our systems remain fully updated in case an evacuation of the school is necessary and in order that we know exactly where every pupil is at all times.

2.8 Leaving school early during the day

- Pupils are not allowed to leave the site during the school day, unless accompanied by a member of staff or their known parent/carer; or to attend a school visit, an off-site scheduled lesson, or a sporting fixture.
- If a pupil has to leave the school during the day for illness or a parent is required to collect them for a medical appointment, they are required to sign out at the School Office. Where there are known medical appointments, parents should notify the school in advance.

2.9 Requests for absence from parent/carer(s)

- Schools, not parents, authorise absence. Requests to the school for granting permission for leave of absence to a pupil during term time must be made in writing in advance directly to the Head. The Head is only able to authorise leave of absence where exceptional circumstances relate to the application. Authorised leave is unlikely to be granted for the purpose of a family holiday.
- We ask that parents make contact with the school when a child is going to be absent for ill health reasons in order that the school can keep records updated and, importantly, so that the school can be kept informed of their progress to full health and anticipated return date. If necessary, the school may ask for medical evidence of any illness. We expect any absence for illness to be evidenced by a note from the parent/carer(s) as soon as possible.
- An absence is classified as unauthorised if a child is away from school without the permission of the Head in advance.

2.10 Persistent absentees

Persistent absentees are pupils with attendance below 90%. The school will contact the parent/carer(s) if their child's attendance approaches this threshold. If attendance does not improve, the school will contact their local in accordance with local authority procedures.

2.11 Maintaining records and reporting to the authorities

The school's Attendance Register, kept by means of a computer, this is backed up and saved to the drive.

3 Children Missing from Education

3.1 Introduction

- 'Children missing from education are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school.'
- Children missing from education are at significant risk of underachieving, being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life.

3.2 Statutory guidance

The school will follow the statutory guidance 'Children Missing from Education'.

3.3 School requirements

- Schools must enter pupils on the Admissions Register at the beginning of the first day on which the school has agreed, or been notified, that the pupil will attend the school. If a pupil fails to attend on the agreed or notified date, the school should undertake reasonable enquiries to establish the child's whereabouts and consider notifying the local authority at the earliest opportunity.
- Schools must monitor pupils' attendance through their daily register. Schools should agree with their local authority the intervals at which they will inform local authorities of the details of pupils who fail to attend regularly, or have missed ten school days or more without permission. Schools should monitor attendance closely and address poor or irregular attendance. It is important that pupils' poor attendance is referred to the local authority.
- Where a pupil has not returned to school for ten days after an authorised absence or is absent from school without authorisation for twenty consecutive school days, the pupil can be removed from the Admissions Register when the school and the local authority have failed, after jointly making reasonable enquiries, to establish the whereabouts of the child. This only applies if the school does not have reasonable grounds to believe that the pupil is unable to attend because of sickness or unavoidable cause.

3.4 Safeguarding

- The school has a safeguarding duty in respect of its pupils, and as part of this will investigate any unexplained absences.
- Where there are safeguarding concerns about any child, the school will always follow its Safeguarding and Child Protection Policy, which includes reporting to the local authority.

4 Children Missing Education Procedure

4.1 In the event that a child has had 10 continuous days of unauthorised absence our office manager will complete the children missing in education form. This form will be sent to Lynn Purton CME@haverling.gov.uk at the London Borough of Havering who will conduct an investigation on our behalf.

4.2 As an independent school we are well aware that many of our students live outside the Borough in which the school is located. If a child lives outside of Havering the relevant person in the Borough where they reside will be contacted.

Children missing from education – KCIE 2018

All staff should be aware that children going missing, particularly repeatedly, can act as a vital warning sign of a range of safeguarding possibilities. This may include abuse and neglect, which may include sexual abuse or exploitation and child criminal exploitation. It may indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, risk of female genital mutilation or risk of forced marriage. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future. Staff should be aware of their school's or college's unauthorised absence and children missing from education procedures.
